TELERIK ACADEMY REFERENCE

Telerik Academy

Mariana is very organized and consistent when going through tough problems. She breaks down the problem into small steps and acts upon them. She finishes her tasks on time, avoiding last minute rush. Mariana pays attention to detail and her work has great quality – she is consistently one of the best in season 7 of the Telerik Software Academy. As a person, she is a bit shy with people she meets for the first time, but she is friendly and communicates freely after a while. She has a good grasp of her strengths and weaknesses. She helps other students which speaks to her generosity.

QUOTES

"As soon as something stops being fun, I think it's time to move on. Life is too short to be unhappy. Waking up stressed and miserable is not a good way to live."
Richard Branson
